Hierarchy Rules

- â€ Heads are compact, confident and low-noise.
- â€ Body copy stays neutral and highly readable.
- â€ Mono is reserved for numbers, statuses and technical identifiers.
- â€ No decorative typography in operational areas.

Components & Layout

Cards, buttons and tables should feel like macOS system UI: calm, soft, precise.

Card surface

Rounded, slightly elevated, restrained borders.

Primary

Secondary

Quiet

Danger

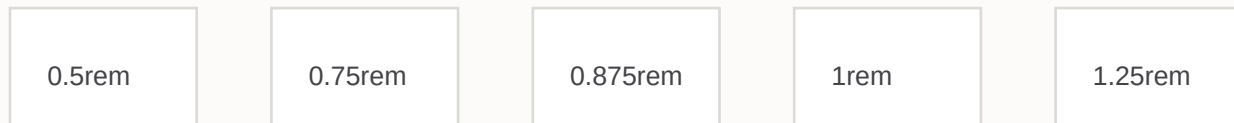

Table rhythm

Spacing, Radius, Surfaces

Soft, system-like geometry keeps the MVP calm and premium.

Radius scale

Surface layers

Apple-inspired rules:

- â€¢ soft cards over hard panels
- â€¢ clear hierarchy over decoration
- â€¢ subtle shadows, no heavy blur
- â€¢ brand colors only where they help decisions
